

SEPTEMBER 2026

Rich & Regulated

THE BUSINESS EXECUTION BINDER

*This is your season of safety. This is your season of receiving.
This is your season of love.*

OWNER	Karima Williams
MISSION	Revenue, proof, relationships, and consistent execution
DATES	September 1-30, 2026

Print it. Punch it. Open it every day. Send before you second-guess.

Start here today

This is your September operating system - not another project to perfect.

HOW TO USE THIS BINDER *one page, one day, one honest month*

- ☐ Open to today's page before opening email or social media.
- ☐ Complete the revenue and relationship non-negotiables first on business days.
- ☐ Use the day-specific list as the rhythm - not as permission to avoid selling.
- ☐ Record simple counts. Ada can handle detailed analytics; this binder tracks action.
- ☐ If a day falls apart, write what got in the way and begin again on the next page.
- ☐ Review the week before planning another strategy. September is for execution.

SEPTEMBER 1 FIRST MOVES *do these before adding anything*

- ☐ Review every active AI Employee Standard conversation and name the next decision needed.
- ☐ Send the promised follow-ups from the August 28 workshop.
- ☐ Contact five qualified organizations or corporate buyers.
- ☐ Publish one direct invitation to Friday's free workshop.
- ☐ Make one clear AI Employee Standard offer and follow through on money already committed.

WHAT I NEED THIS BINDER TO PROTECT ME FROM

You do not have to finish the month today. You only have to execute today.

September command center

Cash, proof and the first five

FLOOR \$9,000	TARGET \$20,000	STRETCH \$25,000
PRIMARY OFFER AI Employee Standard	PRICE \$5,000	FRIDAY ENGINE Free workshop

WHAT WINNING LOOKS LIKE

- ☐ Sell the AI Employee Standard without hiding behind more preparation.
- ☐ Fill and improve the free Friday workshop every week.
- ☐ Create five high-quality business or organization contacts each business day.
- ☐ Build corporate relationships through private-workshop conversations.
- ☐ Create useful content, batch when the week calls for it, and publish consistently.
- ☐ Plan the next professional event and prepare the local AI meetup deliberately.
- ☐ Capture delivery time, proof and language that make the next sale easier.

SEPTEMBER'S ONE SENTENCE

THE QUALIFIED BUYERS AND ORGANIZATIONS ALREADY IN MOTION

The non-negotiables

The daily page may change. These standards do not.

BUSINESS DAYS

- ☐ Take one direct AI Employee Standard sales action.
- ☐ Reach five high-quality organizations, professional groups or corporate buyers.
- ☐ Follow up every warm lead, DM, application, proposal, invoice or promised reply due today.
- ☐ Move at least one conversation to a clear next step, decision or respectful no.
- ☐ Create or publish one useful invitation, proof point or teaching asset.
- ☐ Record the numbers before closing the binder.

EVERY WEEK

- ☐ Review Monday's pipeline and choose the week's cash-producing moves.
- ☐ Batch content with intention; do not let batching replace publishing.
- ☐ Use Wednesday's Potomac block for focused delivery and workshop build work.
- ☐ Finish workshop promotion and preparation Thursday.
- ☐ Teach Friday, make the live offer, and set up follow-up before stopping.
- ☐ Use the weekend for meaningful follow-up, content capture, event progress and reset.

WHAT I WILL NO LONGER NEGOTIATE WITH MYSELF ABOUT

The AI Employee Standard + sales

The framework and offer for building a custom AI employee around the buyer's real business.

PRICE	\$5,000
PAYMENT	\$2,500 to begin + \$2,500 before access to the working employee
FAST PAY	\$4,000 paid in full by September 1, 2026
DELIVERY	5-10 business days; no later than the end of week two

CALL FLOW *diagnose before you prescribe*

- ☐ Name the growth goal, the current bottleneck and the cost of leaving it alone.
- ☐ Ask what marketing work keeps slipping, stalling or depending on the owner.
- ☐ Reflect the problem in the buyer's own words.
- ☐ Explain how the AI Employee Standard builds responsibility for that specific work.
- ☐ Make the offer plainly, state the investment, and stop talking.
- ☐ Resolve the real objection and ask for a concrete next step.

THE QUESTION I KEEP AVOIDING ON SALES CALLS

DMs, transitions + objections

The goal is a real conversation - not a perfect paragraph.

SIMPLE DM TRANSITION

You mentioned [specific goal/problem]. I have a few thoughts based on what you're building. Would it be useful to talk for 20 minutes and see whether there is a fit?

AFTER THE FRIDAY WORKSHOP

Thank you for joining us today. You said [specific detail]. Margo - built through the AI Employee Standard - may be able to take that work off your plate. Would you like the application, or would a short conversation be better?

OBJECTION ANCHORS

MONEY	Is the concern the total investment, the timing of the payments, or confidence in the return?
TIME	What would need to be true for this to become a priority now?
THINK	Of course. What specifically do you still need to think through so I can help you make a clean decision?

WORDS THAT SOUND LIKE ME AND MOVE THE CONVERSATION FORWARD

The Friday workshop engine

Teach clearly. Make the invitation. Build the next follow-up before you leave.

BEFORE FRIDAY

- ☐ Confirm promise, teaching points and live offer bridge.
- ☐ Send email + direct invitations.
- ☐ Test links, room, slides, form and payment path.

LIVE

- ☐ Name the problem and give useful relief.
- ☐ Show the possibility with a concrete example.
- ☐ Make the AI Employee Standard offer and share the application twice.
- ☐ Say exactly what happens next.

FRIDAY CLOSEOUT ♦ LINK RETRO

- ☐ Save attendance; tag hot, warm, nurture and no-show follow-ups.
- ☐ Send the approved replay/thank-you and application links.
- ☐ Set the next workshop date, promise and registration page.
- ☐ Replace the old link in calendar/confirmation/reminders, email signature, social bio/link-in-bio and saved DM/direct-invite copy.
- ☐ Archive or expire the old replay/registration link; test the full path as an attendee.

THIS WEEK'S WORKSHOP PROMISE AND LIVE-OFFER TRANSITION

Organizations, corporate buyers + events

Send instead of waiting to be discovered.

THE DAILY ORGANIZATION STANDARD *five quality contacts each business day*

- ☐ Professional associations with member education needs.
- ☐ Local chambers, business groups and economic-development organizations.
- ☐ Corporate learning, marketing, innovation, ERG or small-business teams.
- ☐ Community organizations with entrepreneurs or professional members.
- ☐ Warm introductions, past rooms and current relationship edges.

PRIVATE WORKSHOP CONVERSATION

I lead practical AI workshops that help professionals turn scattered tools into useful business systems. Would it be worth exploring a private session for your members or team?

PROOF TO USE CAREFULLY

In the current program, 10 people built 31 assistants, with approximately 27 deploy-ready. Use the approved proof accurately and connect it to the buyer's outcome.

THE NEXT PROFESSIONAL EVENT OR LOCAL MEETUP MOVE

RELATIONSHIPS TO DEEPEN - NOT MERELY CONTACT
